*Amaravila-Ottasekharamangalam road.*

60. MR. N. K. PADMANABHA PILLAI: Will the Government be pleased to state:

(*a*) whether they have enquired into the condition of the Amaravila-Ottasekharamangalam road in the Neyyattinkara taluk after the recent heavy rains; and

(*b*) whether it has been brought to their notice that, in the interests of the public, it is highly necessary to widen that road, to raise its level and to construct the required culverts?

MR. L. H. JACOB: (*a*) There was damage to this road as in the case of several other roads, due to the abnormal rains and floods.

(*b*) Yes. Steps are being taken to investigate the improvements deemed necessary.

MR. K. P. NILAKANTA PILLAI: What is the purpose in steps being taken to investigate the improvements deemed necessary, and estimates being prepared for works, when funds are not available for the purpose?

MR. L. H. JACOB: I do not know whether that arises, Sir. Estimates are prepared and kept ready in hand so that the works may be started when funds become available.

MR. K. P. NILAKANTA PILLAI: Is it to give work to his establishment that the Chief Engineer is getting these estimates prepared, knowing full well, that, for want of funds none of the works could be started now?
